

So maybe you stopped by last week to the

**~super special Fiesta Friday~**

and were wowed by the beautiful student kitchen and enjoyed lots and lots of cookies... (or maybe you didn't. It's okay, we forgive you and don't feel heartbroken at all. Really, we aren't hurt at all.)

Regardless, here's how to reserve the kitchen of your dreams!

1. Fill out the [Stiles Kitchen Quiz](#). It focuses on kitchen essentials such as food handling, hygiene, and clean-up.
2. Check the [Stiles Kitchen Calendar](#) for the date and time that you're thinking of.
3. As soon as you know that the kitchen is available at your chosen date and time, fill out the [Kitchen Request form](#).
4. We'll send you an email to let you know that your reservation has been approved, and make arrangements with you to let you into the kitchen on your chosen date.
5. Before leaving the kitchen, please take a picture of the (cleaned) kitchen and send it to us either through e-mail or text message\*. Complete one of the kitchen check-out forms (located on the refrigerator) and leave it in the kitchen before you exit.

Unlike previous years, the kitchen has been stocked with a supply of flour, sugar, and various oils and condiments. There is also foil, parchment paper, plastic wrap, paper cupcake liners, and take-out containers. You may keep food in the fridge; however, we ask that you label the food with your name and date, and that you remove the food within a week.

**Happy cooking, Moose!**
